- I give my permission for the above-named camper to attend the above listed summer camp event with the Eastern PA Conference-UMC/Carson Simpson Farm. I understand that part of the camping experience involves activities, arrangements and interactions that may be new to my child, and that they come with certain risks and uncertainties beyond what my child may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk free, and so I have instructed my child on the importance of abiding by the camp's rules.
- Upon signing, permission has been granted to Carson Simpson Farm to use photos and video images of the camper for publicity purposes. This could include, but is not limited to brochures, flyers, DVDs, newspapers, publications of Am. Camping Assoc., CCCA and UM Church, and use on the camp website and social media pages. Physical and Mental Health Expectations

Carson-Simpson Farm assumes that Parents or Guardians represent to the camp that the camper is in sound physical and mental health and fully able to participate in all camp activities without the need of individual or specialized attention or medical regimen, and that the camper's health will not impinge or impact negatively on other campers or the camp Program. If a camper is not able to meet this criteria and the parent or guardian still desires to have their child attend Carson Simpson Farm, the parent and child must set up an interview with the Program Manager. Each child will be considered on an individual basis based on his/her ability to participate in the program and to discuss additional support (which the camp does not provide).

1. I certify that the information on this health history form is, to the best of my knowledge complete and accurate.
2. The person described herein, has permission to engage in all camp activities except as noted.

Dear CSF Parents:

We share the concerns of many families, schools, and camps regarding the dangers associated with young people's use of social networking Web sites such as Twitter and Facebook. As you may know, the risks range from online sexual solicitation to cyber-bullying to the damaging of one's own reputation, school or camp admission status, or job prospects by posting inappropriate information, photos or comments on personal pages.

The American Camp Association (ACA), by whom we are accredited, is working with its members to develop model policies designed to keep campers, employees, and camps safe. Our policy is below for your review. We hope you will discuss it with your child and encourage him or her to share any inappropriate postings by or about members of our camp community.

Please know that we remain committed to the health and safety of all members of our community. As always, we appreciate your support and welcome your comments.

Carson-Simpson Farm Christian Center
Internet Social Networking and Blogging Policy for Campers, Disciples and Staff

In general, our camp views social networking sites (e.g. Twitter, Facebook), personal Web sites, and Weblogs positively and respects the right of campers, disciples and staff to use them as a medium of self-expression. If a camper, disciple or staff member chooses to identify himself or herself as a part of our camp community on such Internet venues, some readers of such Web sites or blogs may view the camper, disciple or staff as a representative or spokesperson of the camp. In light of this possibility, our camp requires, as a condition of participation in the camp, that campers, disciples and staff observe the following guidelines when referring to the camp, its programs or activities, its campers, disciples and/or employees, in a blog or on a Web site.

1. Campers, disciples and staff must be respectful in all communications and blogs related to or referencing the camp, its employees, and other campers or disciples.
2. Campers, disciples and staff must not use obscenities, profanity, or vulgar language.
3. Campers, disciples and staff must not use blogs or personal Web sites to degrade the reputation of the camp, other campers, disciples or employees of the camp.
4. Campers, disciples and staff must not use blogs or personal Web sites to harass, bully, or intimidate other campers, disciples or employees of the camp. Behaviors that constitute harassment and bullying include but are not limited to, comments that are derogatory with respect to race, religion, gender, sexual orientation, color, or disability; sexually suggestive, humiliating, or demeaning comments; and threats to stalk, haze, or physically injure another person.
5. Campers, disciples and staff must not use blogs or personal Web sites to discuss engaging in conduct that is prohibited by camp policies, including, but not limited to, the use of alcohol and drugs, sexual behavior, sexual harassment, and bullying.
6. Staff and disciples must not tag or identify any camper in a photo.

Any camper, disciple or staff found to be in violation of any portion of this Social Networking and Blogging policy will be subject to immediate disciplinary action, up to and including dismissal.
